Free Vend Dispenser

WASHROOM
ACCESSORIES

Introducing our Free Vend Dispenser, helping your business to make a meaningful impact by providing free sanitary products in your washrooms.

Thoughtful design blends functionality, durability and style to deliver essential hygiene products to users. This dispenser represents more than a practical solution - it's a commitment to well-being, dignity and respect.

Key Benefits

Free Vend Dispenser for Users:

- > **Inclusive:** Provides free, easy access to essential sanitary products, ensuring no one is left without what they need.
- > **User-Friendly Design:** Simple to operate, gravity based chutes provide products at the lift of the front flap.
- > **Discrete design:** Free to access and quiet to operate, a modern design that complements any washroom aesthetic while conserving space.
- > **Durable Construction:** Built for high-traffic environments for reliable use.

Free Vend Dispenser for Facility Managers:

- > **Complete Adjustability:** The Free Vend Dispenser is fully adaptable, accommodating a wide range of product sizes, shapes, and formats.
- > **No Brand Restrictions:** Unlike traditional vending machines, the Free Vend allows for any brand or type of sanitary product, giving specifiers full control over stocking choices.
- > **Cost Efficiency:** Provides the freedom to source products from the most affordable and convenient suppliers, helping to reduce operational costs.
- > **Product Compatibility:** Products can be inserted loose, eliminating the need for special packs or cartridges, making refilling simple and cost-effective.

Free Vend Dispenser for Cleaning & Maintenance Teams:

- > **Enhanced Hygiene:** Keeps hygiene products clean, ensuring a hygienic environment.
- > **Easy Maintenance:** Quick and efficient cleaning and refilling, saving time and effort.
- > **Durable Construction:** Built to withstand constant use in the busiest of washrooms ensuring longevity.
- > **Reliability:** User friendly operation ensures a positive experience for users.

Free Vend Dispenser for Designers:

- > **Sleek Aesthetic:** The Free Vend Dispenser features a contemporary design that enhances the overall look of any washroom.
- > **Space-Saving Design:** Compact and versatile, it fits seamlessly into washrooms of all sizes without compromising functionality.
- > **Finish Options:** Available in different finishes as standard to match your washroom's style and branding.
- > **Inclusivity:** Helping washrooms align with design standards and expectations.

The environmental choice:

We believe the best way to reduce waste is to design products that last a long time. Our commitment to sustainability is reflected in every aspect of our product design, ensuring they remain functional and stylish for years to come. Classic, timeless designs never go out of fashion, making our products a wise investment for the future.

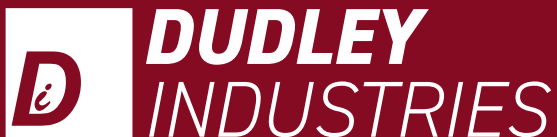

But there is more to our products than just their reliability. Did you know that stainless steel is made up of 60% recycled content? This remarkable material can be recycled countless times without any loss of quality, making it an excellent choice for environmentally conscious consumers.

Moreover, our products are manufactured in a factory powered by solar energy. This commitment to renewable energy reduces our carbon footprint and supports a cleaner, greener planet. By choosing our products, you're not only investing in quality and durability but also making a positive impact on the environment.

Dudley Industries, experts in washroom dispensers since 1942.

We have over 80 years of experience in designing and manufacturing washroom dispensers, so you're in good hands. All our dispensers are designed by our team of engineers and made on site at our Lancashire factory. From here, we serve a global market and our products can be found in the most prestigious addresses around the world.
