

SPECIFICATION:
WUDU
Washstation

95000BK/WH

WUDU ABLUTION WASH STATION

Product Code:
9500BK/WH

Product Description:

- Ideal for multi faith facilities
- Supports ritual ablutions before prayer
- As WUDU concerns the washing of both hands and feet the unit is easily operated and provides stability when users are washing their feet
- The lower sides enable easy arm movement.
- Hinged foot grate for easy access for cleaning
- The opportunity for splash back of 'grey' water is minimised to prevent accidentally splashing clothing
- Soap holder is centrally positioned so as to not cause interference
- Auto shut off valve helps reduce water usage by up to 90% compared with a conventional tap
- Stool is available separately
- WRAS approved tap
